Video Inputs

a)

b)

Prompt

Given that physical interaction is defined as any form of direct bodily contact between two people, it encompasses any instance where any part of their bodies comes into physical contact.

**Question:** Are there any physical interactions between the two persons marked by **green and red circles**?

**Possible answers choices:**
A) Hand-to-Hand
B) Hand-to-Shoulder
C) Shoulder-to-Shoulder
D) Hand-to-Torso
E) Hand-to-Elbow
F) Elbow-to-Shoulder
G) None of them

**Output**: Answer with only the letters in the format:
"Answer: (X, Y, ...)" where X, Y are the correct digit choices.
